## ECOB SUMMER 2023 PREVIEW

This summer is going to be exciting at ECOB! During the months of July and August we will have group lessons and speakers for the Life Group Hour (Sunday School). They will range from the ministries we support, to VBS and mission recaps, to family prayer, and even some surprises. We will have a group time together from 9:45am to 10:20am and then after that you will be free to stay and hang out or go have prayer and praise time with your class. Every week will be for grades 5 and up and some special weeks will include everyone no matter their age.

We ask that everyone participate in this so we can build unity and get to know each other from different services and different age groups. More information to follow in the coming weeks.
